

## Oral presentations on Thursday, September 21st, 2017

### Session 1

| Time          | POB 2.402<br>Optimization and UQ A | POB 6.304<br>Numerical Methods & PDEs A |
|---------------|------------------------------------|---|
| Thurs. 2:05pm | Villa, Umberto                     |   |
| Thurs. 2:10pm |                                    | Sexton, Jean M.                         |
| Thurs. 2:30pm | Smith, Logan                       | Kang, Shinhoo                           |
| Thurs. 2:50pm | Chen, Peng                         | Balogh, Andras                          |
| Thurs. 3:10pm | Borges, Carlos                     | Maulik, Romit                           |

### Session 2

| Time          | POB 2.402<br>Optimization and UQ B | POB 6.304<br>Numerical Methods & PDEs B |
|---------------|------------------------------------|---|
| Thurs. 3:40pm | Seidl, Tom                         | Petrides, Socratis                      |
| Thurs. 4:00pm | Portone, Teresa                    | Nagaraj, Sriram                         |
| Thurs. 4:20pm | Lee, Yoonsang                      | Capodaglio, Giacomo                     |
| Thurs. 4:40pm | O'Leary Roseberry, Tom             |   |

## Oral presentations on Friday, September 22st, 2017

### Session 3

| Time         | POB 2.302<br>Numerical Methods &<br>PDEs C | POB 2.402<br>CS & Data Science | POB 6.304<br>Biology A |
|--------------|--|--------------------------------|------------------------|
| Fri. 9:30am  | Chan, Jesse                                | Bremer, Max                    | Avaz, Reza             |
| Fri. 9:50am  | Levendorskii, Sergei                       | Hendryx, Emily                 | Henscheid, Nick        |
| Fri. 10:10am | Vaziri, Ali                                | Jayawardhana,<br>Rangana       | Zakerzadeh, Rana       |
| Fri. 10:30am | Keith, Brendan                             |                                | LaGrone, John          |
| Fri. 10:50am | Frank, Florian                             |                                | Murphy, Hope           |

### Session 4

| Time        | POB 2.302<br>Fluid Mechanics | POB 6.304<br>Geological and Structural<br>Mechanics |
|-------------|------------------------------|---|
| Fri. 2:10pm | Mohan, Prakash               | Dong, Rencheng                                      |
| Fri. 2:30pm | Kim, Changho                 | Paranamana, Pushpi                                  |
| Fri. 2:50pm | Carney, Sean                 | Amanbek, Yerlan                                     |
| Fri. 3:10pm | Liu, Chen                    | Zhong, Yimin  |
| Fri. 3:30pm | Fuentes, Federico            | Gudoshnikov, Ivan                                   |

## Oral presentations on Saturday, September 23rd, 2017

### Session 5

| Time         | POB 2.302<br>Biology B    | POB 6.402<br>Numerical Methods & PDEs D |
|--------------|---------------------------|---|
| Sat. 10:10am | Calandrini, Sara          | Duque, Luis                             |
| Sat. 10:30am | Hormuth, David            | Wang, Cunfu                             |
| Sat. 10:50am | Jayawardhana, Rangana     | Muralikrishnan, Sriramkrishnan          |
| Sat. 11:10am | Pinky, Lubna Jahan Rashid | Zhang, Lu                               |
| Sat. 11:30am | Pradhan, Saroj P.         | Tao, Zhen                               |
| Sat. 11:50am | Kabacaoglu, Gokberk       |   |
